JAZZ OFF THE WALL

Per celebrare i 40 anni di JazzAscona, il Borgo abbraccia la street art con una mostra a cielo aperto intitolata *Jazz Off The Wall*. Spaziando tra la piazza e il nucleo storico, il progetto proporrà ben 40 opere di paste-up realizzate dall'artista Yuri Catania. Le varie opere raccontano la storia di JazzAscona e celebrano il legame che da 4 decenni unisce New Orleans e Ascona. Segui la mappa e scopri tutte le opere! Dal 22 giugno al 1 settembre *Jazz Off The Wall* sarà protagonista anche al Museo Comunale d'Arte Moderna con un'esposizione ricca di installazioni in cui immergersi. Grazie alla realtà aumentata, ogni opera prende vita regalando un'esperienza multisensoriale: tramite l'applicazione gratuita Artivive, ogni installazione rivela contenuti extra da scoprire attraverso il proprio smartphone. Scarica l'applicazione gratuita Artivive (artivive.com) disponibile sia per Android che per iOS, inquadra l'opera e scopri il messaggio dell'artista.
