My name is John

Hi! Nice to meet you! My name is John Smith. I'm 19 and I'm a student in college.

I go to college in New York but I come from Boston. My favourite courses are Geometry, French, and History. English is my hardest course. My professors are very friendly and smart. It's my second year in college now. I love it!

I live in a big house on Ivy Street. It's near the college campus. I share the house with three other students. Their names are Bill, Tony, and Paul. We help each other with homework. On the weekend, we play football together.

I have a younger brother. His name is Samuel and he just started high school. He is 14 and lives with my parents. They live on Mulberry Street in Boston. I also have a sister, her name's Sandrine and she works in an office in Dallas. Sometimes my family visits me in New York. I am happy when they visit. My mother always brings me food and chocolate when they come. I really miss them, too! I always go home for Thanksgiving and for Christmas.
