

PROGRAM

SAKK Semi-Annual Meeting 2016

Thursday, June 30
and Friday, July 1

Zurich Marriott Hotel
Neumühlequai 42, 8006 Zurich

We want the best possible cancer therapy.

WELCOME NOTE

Dear friends of SAKK, dear Madam or Sir, dear colleagues

It is our pleasure to invite you to the June semi-annual meeting of SAKK to be held at the Marriott Hotel at the river banks in Zurich. Please find henceforth the program of the meeting, registration details and other general information.

Many meetings and presentations offer insights in science and daily practice. Also, our several groups have invited guests to discuss their fields of specialty. For further information, please consult the scientific program. We kindly draw your attention to the Satellite Symposium organized by Bristol-Myers Squibb laying the focus on the *Pioneering novel Mode of Action into clinical breakthrough: The successful pace of checkpoint inhibition*. You may access more information in the separate flyer.

Traditionally, we are proud to present the SAKK/Celgene Life Grant 2016 as well as the SAKK/Dr. Paul Janssen Fellowship 2016.

We will again have two eventful days contributing to bring progress to cancer care and we look forward to welcoming you in Zurich.

Sincerely
SAKK Coordinating Center

Prof. Dr. Beat Thürlimann
President
